

# Do you have questions about LIHEAP and heating assistance?

Join us for a free webinar on  
***Tuesday, October 29th, 2024***  
***from 10:00 - 11:30 AM***

## **What to Expect:**

The Low Income Home Energy Assistance Program (LIHEAP) provides cash grants to help low income Pennsylvania families pay their heating bills. We will give participants a high-level overview of LIHEAP, describe changes to the program, answer frequently asked questions, and provide advocacy tips to assist households in accessing this critical funding. Whether you are new or seeking to deepen your knowledge, this session is designed for you to better support your clients and community in navigating LIHEAP and low income energy assistance programs.

## **Speakers:**

- Lauren Berman, Staff Attorney, Pennsylvania Utility Law Project
- Lydia Gottesfeld, Managing Attorney, Health & Independence Unit, Community Legal Services of Philadelphia
- Brian Whorl, Director - Division of Federal Programs, Pennsylvania Department of Human Services
