- What is the appropriate role of a victim service provider?

Comments from previous attendees of
"Civil Justice for Victims of Crime":

"Really enjoyed the presenter. He kept my attention the entire time. He was very compassionate and excited about helping victims."

"Very helpful; as a mental health therapist I feel that I don't have a lot of opportunities to even understand the basics of litigation and court process and it is better to support my clients when I'm educated. Very comprehensive."

"I learned a lot to help victims and myself. Out of my 25 years of attending law enforcement classes, this was the best class I have ever attended."

COMING THIS FALL-
